

A Mother's Day Card

A Mother's Day Card

Instructions

Inglese

- Cut out the two flowers. Each petal should be cut up to the centre of the flower.
- Colour one of the flowers as you like, and apply glue only to the centre of the uncoloured flower. Glue the coloured flower on top of the white one.
- Write your messages to your mum on the petals of the white flower.
- Cut out the stem of the flower, colour it, and glue it under the flower.
- Take a green piece of cardstock or a green sheet, cut it into a rectangle, and glue the flower on top.

Speaking activities

1 I love my mum because...

Each child completes the sentence out loud:

I love my mum because she...

Examples: *plays with me / reads stories to me / gives me big hugs.*

2 My mum is... – Word Storm

The children say adjectives or kind words to describe their mum.

Examples: *kind, funny, strong, beautiful, smart, helpful.*

3 Pair share: What did you write on your petals?

Children work in pairs and tell their partner one or two sentences they write.

I write on my flower: I love your smile!

4 Guessing game: who's Mum is it?

The teacher reads out sentences from the flowers (without saying whose they are), and the children try to guess.

T: *She makes the best pizza!* A: *That's mine!*

5 My favourite moment with mum

Each child shares a happy memory with their mum.

We always go to the park and have ice cream!
